Remembrance Day

November 11th

In Flanders Fields the
poppies blow, between the
crosses row on row..

Pause to remember all the men and women who laid down their lives in defence of our great nation, those still on peacekeeping missions, and the seniors who served who are still with us. Take time to talk to a veteran, visit a local cenotaph, or attend a Remembrance Day ceremony. Wear a poppy to honour them.
Let us never forget..

Message from The Commodore, Bill Frank

When you read this, we will have already pulled the boats from the harbour, and chalked up another season of sailing at South Port. Time certainly flies by when one is having fun as the Commodore !

Lee Anne and I were on a cruise to Europe for part of the last month celebrating our 25th Anniversary. When we returned I was informed The Windsor Yacht Club held their annual CHIMO Regatta and again, 3 of the 4 boats competing from South Port brought home 1st, 2nd, and 3rd place flags in their class. Congratulations to Darcy Fuller on Cheers, Frank Edgley on Bulldog and Dave Robichaud on No Resistance. A good way to end the racing season gentlemen !

The club has an opportunity to dredge the two fairways of the harbour after haul out, and your executive has decided to proceed, even though it will make our finances somewhat tight for a while. There was much good discussion around this issue, but the primary reasons were:

a) we have a number of boats already dragging bottom in the harbour and waiting another year will only cause more frustration
b) Hotte was available and can truck away the tailings without storage, which is a huge advantage, not always available
c) Hotte is willing to postpone payment until the new year when we will be in better shape to pay this expense
d) we can use our current permit issued last July for the dredging, as it does not expire until May 2011

This does not mean we can escape dredging completely next year, but it should be minimal compared to what we will have accomplished by this year end. Thank you to Bob Fuller and Wesley Arthur who made these arrangements in only a few short weeks.

Cradle moving day went smoothly and it was great to see so many out to help, especially the younger crowd who can more easily handle the heavy pushing, lifting etc..The evening Oktoberfest party was a hit, with a great menu prepared by Peggy Shearn (a novice at German cooking, but no one could believe it) and a full keg of good German beer on tap by Allen. Although I did not see any Dirndls or Lederhosen, a good time was had by all !

Please contact Margaret Entwistle to sign up for the Final Furl on November 20th, and do not forget about our Annual General meeting on November 30th. The Men's and Ladies Christmas dinners have also been scheduled for December 7th. You will find details on all three events in this months issue of Soundings.

"May the wind be always at your back"

From The Social Chair, Margaret Entwistle

Another happy night took place at South Port Sailing Club on the evening of October 16th.
Peggy and Allen Shearn designed an Oktoberfest party and hosted 27 people who participated in the theme dinner, including free beer and wine. Allen is extremely good at making beer. All their hard work was greatly appreciated by those in attendance, and we thank you very much. To those members who do not attend these events, you really do not know what you are missing. Good food and companionship for very little cost.
Mark your calendars early in 2011

It is now time to plan for The Final Furl on November 20th. This is a wonderful opportunity to go over the good times, and experiences of the past summer and congratulate the participants in all the various events. This is a fun night for all so please make reservations for yourself, your crew and friends who have shared the beauties of Lake St. Clair in 2010. The reservation form was in October Soundings and the information is also on the front page of this issue.

Feel free to call me at 519-739-2061

On a camel ride in front of the Pyramids in Cairo, Egypt

Wood carved Manger scene in a shop in Bethlehem

From The Property Chair, Tim Aseltine

Wow, the October 2nd work party weather could not have been worse. I want to thank those who weathered the elements and got some clean up done outside in the rain. Bev Pryce took the helm in my absence.

The garage needs to be cleaned out. There are items that are not the property of South Port Sailing Cub, and we are asking for those items to be removed as soon as possible. I will be scheduling a clean up crew in the near future to work on the garage.

There will be a code change to the clubhouse doors as of December 1st. Contact one of the Executive after November 15th. for the new number.

The outdoor water system will be shut off November 8th. This must be done before the first hard freeze.

This is a reminder to all members, the supplies in the stock room are for the maintenance of the club. They are not there to assist members in the maintenance of your their boats. Please bring your own supplies.

If you are looking to help do some clean up around the club or need to get some work hours please contact me.
