Well Assignment Policy

We endeavour to ensure that all members who request a well at South Port Sailing Club are accommodated, but new members must appreciate that dockage is limited, particularly for larger boats, and that available SPSC slips are allocated on a seniority basis. All members must remember that minimum water levels in the harbour or the channel are not guaranteed. Once your application has been approved and you are interested in keeping a boat at South Port, application for a well should be made to the Harbour Master.
