## Newsletter of South Port Sailing Club September 2018

### Message from Commodore Ryan Masse

August proved to be a month of ongoing activities at the club.

We started with the Great Lakes Yacht Club Cruise on the Civic Holiday weekend, followed by the Sip n Savour the 11th, Sunday race the 12th, the end of year Sailing School BBQ the 18th, Club Pursuit Race the 19th and on to the Ontario Sailing Dinghy Regatta August 25th and 26th. The Social Committee, Racing Chair and Sailing School Chair were kept busy the entire month.

I would like to thank all the volunteers who made the Ontario Sailing Weekend a huge success. Based on all the comments made throughout the weekend, I understand both the local and out of town sailors enjoyed the club, and had a great time.

Our Harbourmaster has planned a work Party Labour Day weekend to start repairs on the Gobie mats. I hope if you have any time to spare you will come out and help, especially those in need of work hours. Contact Fred Eagen for more information.

Thursday club racing will continue until September 20th and the last Monday race will be held September 24th.

Check out the club website for details and registration information on Sail for Hospice on September 9th and Harvest Moon on the 15th.

Our Social Chair has planned a Paddle board event Friday the 21st with Urban Surf. Full details on this event will be out shortly.

Unfortunately in October we look towards the end of the sailing season. Cradle moving and Haul out have been scheduled, as well as the year end Property work party. The winter storage and Release form is included in this issue. Please do your best to get the form in at your earliest.

Lastly it is with saddened hearts that we hear of the passing of member Gary Gavin. We will miss this always cheerful and happy go lucky sailor. Our thoughts go out to his family.

**From Sailing School Chair, John Marentette**

This past weekend August 24-25th SPSC hosted our Annual Dinghy Regatta. Due to a change of weekends, the Regatta was unfortunately only attended by SPSC and Sarnia teams, but Sarnia Yacht Club brought a large contingent and we thank them, so it all worked out ! Several families tent camped, and we had one large trailer on the grounds.

Saturday saw a strong south wind that built throughout the day and proved very challenging to our sailors. Sunday racing started with a very light wind that built in to a nice steady breeze in the final races. The Sarnia sailors really enjoyed sailing at SPSC, mainly due to the lack of significant current they normally deal with. They also enjoyed the different atmosphere Pike Creek has, compared to the big SYC yacht basin.

We want to thank all the SPSC volunteers that helped with Welcoming & Registration, assisting with Launching and Hauling out boats, food prepping and drinks throughout the weekend. Also thanks to Matt Draisey for officiating, others who manned the Mark & Pin boats, and the spectators out on their own boats watching the racing and taking photos. The pictures are all posted on the SPSC and SPSS Facebook Pages for your viewing.

And finally special thanks to my awesome wife Louise, who not only watched over the Sailing School registration, finances and day-to-day operation of the school this season for me, but also put together the Regatta food, drinks and awards. Her SPSC bottles were a big hit with the sailors.

Next year the Regatta will be back on the August Civic Holiday weekend !

We hope to see everyone back in 2019 !!

**From Property Chair, Dave Robichaud**

Thank you to all members who have assisted with property tasks to date. We have had 100% attendance for weekly clubhouse duties this year. The 2019 clubhouse duty roster will be printed in the December issue of Soundings. Keep in mind if you still need club hours, there will be a final work party the week following Haul Out on Saturday November 3rd to close up the grounds and harbour for the winter months.

**Cradle moving  
Saturday October 20th**

**9:00 am Keep the morning open !**

**Gary Gavin August 2, 1946 - August 16, 2018**

On August 16th member Gary Gavin passed away at the age of 72. Gary started sailing as he always described it 'way back when' on a wood and fibreglass homemade built San Francisco Pelican, which led to the purchase of a Shark. He learned to sail on a Mirage 24, and spent 18 years crewing and cruising on Harold Asseltine's Kirby 30. He also spent a year crewing on a 46 footer out of Detroit Boat Club, and in 2007 started cruising for 5-7 weeks each year with Bill Asseltine (Harold's son) on a Voyager 38' Catamaran in Granada.

After retiring from a 32 year career, as an educator with the Board of Education, he took up Scuba Diving and bought into a store. Gary started crewing for Frank Edgley in mid 2000 on Bulldog, and eventually purchased a Viking 28, 'Rocket' renamed 'Raider' and rejoined South Port in 2013.

Even after suffering a spinal stroke 2 years ago, Gary continued to sail as often as he could on his beloved Raider with the assistance of member Matt Draisey who maintained his boat for him. His last sail was at the Monday night race on August 13th. Gary was an enthusiastic member, and had a positive outlook on life regardless of the circumstances.

South Port members send condolences to his wife Laura, family, and many friends.

We wish you smooth sailing Gary

#### From Louise Marentette, Social Chair

Have no fear, summer is not over yet ! We still have lots of time to enjoy the club and the lake. Friday Sept 7th is happy hour; join us for some good food and excellent company. For something a little different this fall, Urban Surf is teaming up with South Port for an evening of paddle boarding on Friday Sept 21st. More details will follow shortly. Fall Furl will be at the Ciociaro Club again this year. Save the date on your calendars for Saturday November 3rd. The reservation form for dinner will be available in October Soundings.

I hope to see you out at the club !

#### From the Harbourmaster

Labour Day weekend we have planned a work party to repair the Gobie Mats along the south wall of the harbour. If you have time to help our, work will start each day at 10:00 am Wheelbarrows and shovels are needed.
