Message from Commodore Wayne Bellemore

On February 2nd Warton Willie predicted we will be having an early spring ! Looking outside it is hard to believe we are only 8 weeks from launch.

It has been great to see members around the club enjoying the harbour and Pike Creek. I would like to thank Amelia Dolsen and friend Matt Pretty who initially cleared a section of the harbour for a skating rink the first part of February. They have continued to assist with maintenance of the rink, along with John Baker, Darcy Fuller and Jesse Davidson. To all who have contributed, including mother nature, this has been a great way for members and their families to enjoy the lockdown in a safe and healthy way.

There was a delay in sending the financial reports, but they will be emailed out to you shortly.

The executive have been reviewing the insurance required for boats on the property. This year we will be asking for a copy of your boat insurance or rider with the launch form, as outlined in the harbour-masters report on page 2 of this issue.

When on the club grounds or using the clubhouse washrooms, please follow the cleaning instructions posted, and review and follow the safety plans posted on the entrance door and easel in the foyer.

At the February Executive meeting a review was made of our Senior memberships. I would like to congratulate the following, who are being honoured as Life members of the club for their contributions and dedication to South Port over their years as members.

From the Property chair

Please do not park in front of the steps. It makes it difficult to shovel the snow, and walk up to the entrance door. Feel free to clear the steps & front deck of snow if you see it's needed. Shovels on the front deck, salt inside the door & work hour slips in the foyer. Thank you

Reminder

Membership invoices were mailed out the first week in January and are due by March 6th

Winter 2021 at SPSC

From the Harbourmaster, Andy Hellenbart

A tentative launch date has been set for April 24th (subject to change)

Included in this issue of the newsletter, is ***the corrected Launch & Summer Dockage form*** along with the fee schedule/calculation sheet. You will note, the rate has not been changed from last season.

An additional item has been added this year, which is the requirement to provide a copy of your boat insurance, or an insurance rider if your boat insurance is part of your homeowners policy. The form you provide should indicate the liability amount and expiration date. Uninsured boats will not be launched.

Payment for summer dockage can be made either by cheque payable to South Port Sailing Club or by e-transfer to the treasurer at treasurer@southportsailingclub.com For those using e-transfer, please send the treasurer an email with the answer to the security question.

All club members who are planning to keep their boat at the club, either in wet mooring, dry sailing or dinghy sailing, the form must be filled out and submitted.

The form must be returned to the Harbourmaster by April 1, 2021 to allow the committee to work out well assignments. If yours is not received by April 1st your former well or dry sailing space may be assigned to someone else. There will also be an administration late fee of \$100.00 if not paid on time.

If you have any questions you can call or email Andy at 519-735-6863 or email at harbour@southportsailingclub.com
