Message from Commodore Wayne Bellemore

With the Province moving us to Stage 3 on July 15th, we have had a very busy end of July & August.

I would like to thank John Baker, his committee and the volunteers for their work on the South Western Dinghy Regatta the end of July, the Shark Championships in August, as well as the Open Series. All three events were very well attended. Monday nights and the Thursday Fall Series club racing are back on the schedule. To our new members, Monday racing is a more relaxed atmosphere. Come out and give it a try !

A thank you to our Social chair Louise Marentette and her committee who out did themselves with Sail-A-Bratton, and assisting John at the two Regattas.

Our club runs on volunteers, and from the looks of the property it appears members have stepped up to carry out numerous tasks, and are getting work hours in. Please continue to watch for emails or contact the chair of the committees to volunteer for up coming projects and events.

Over the next few months my nominating committee will be looking for volunteers for 2022. If you are interested in chairing a committee or working on the board of one, please contact me.

There is a waiting list for membership as the harbour is full. We currently have Temporary members looking for sponsors. Try to meet them if you have the time to assist them with applying for full membership.

In September the Sail for Hospice is taking place and we will be sponsoring the SPSC 52nd Harvest Moon Regatta. See pages 5-6 of this issue for details on the Hospice Race.

I hope everyone is having a great summer !

Harbourmaster Andy Hellenbart

I hate to be a bearer of bad news but the end of sailing season is coming. The haulout for this season is scheduled for October 30th and cradle moving for October 23rd. Attached you will find the **2021 WINTER STORAGE RELEASE FORM AND THE FEE SCHEDULE**. Please fill them out and return them by **October 1st** so that the winter storage can be organized. For the haulout, we will follow the same procedure as we did for the launch. (Pg 7-8)

In the mean time let us be courteous to our neighbours and tie back your halyards to keep them from slapping at the mast.

With the COVID restrictions and the weather conditions, there has not been much sailing activity at the club. I would like to recommend you to check on your boat to make sure it is safe. With the water level fluctuations and the wind conditions, some of the boats had to be retied because they were banging into the docks. Also some of the anchors hanging from the bow pulpits were overhanging the dock and making it difficult to walk on the dock.

Property Jackie Timothy

We are not in a position to set out garbage or recycle bins at this time. Please continue to drop garbage in the driveway bin and use the recycle tubs south of the back deck. No garbage in the dock carts or rolling blue recycle bin please ! Your cooperation is appreciated.

With the rise in Covid cases in our area, *we will be locking the outside washrooms again.* Inside facilities are available. Continue to follow the WECHU directives, masks, & sign in to the clubhouse and follow cleaning directions in washrooms after use for everyone's safety.

As an update the following items were taken care of last month. The hall freezer was replaced, the screens were replaced on the sun porch, 5 new wooden picnic tables were delivered and assembled, the broken light fixture at the back door was replaced and the honey bucket pump was rebuilt. The shed was partially power washed and the concrete blocks organized and set on new pallets. Thank you to the volunteers who carried out these tasks, and those who regularly clean the sidewalks and docks of goose droppings.

At some point the end of this month or first part of October (date to be determined when the heat lets up) I would like to get a group together to paint the sun porch. An email will be sent out asking for volunteers. If you work during the day and need work hours, we will accommodate a late day/evening painting party.

Social Louise Marentette

Summer activities have finally, cautiously, returned to South Port. We had Sail A Bration and a Happy Hour at the beginning of the month and ended the month with the Cruise-In overnight stay and breakfast. The club also saw social activities with a few regattas and members just enjoying their boats and the grounds. In September we will have Happy Hour on Friday September 10th along with a few more regattas. Hopefully we will continue to be able to get together in the fall. Take care, stay safe, see you at the club.

Sailing School Jeff Kepran

Sailing School classes were in session from June 30 to August 20th following the Provincial Summer Camp guidelines. Parents, kids and instructors were cooperative in following the restrictions set in place allowing us to operate safely. Unfortunately Kids Sail and Adult classes were not offered this season.

I would like to thank our school director Zoe Kepran and instructors Jaden Davidson, Simon Hager, Thomas Paine, Max Kepran, Taylor Eagen & Jesse Davidson for ensuring the students were not only provided with sailing instructions, but had a fun time both on land and on the water.

The website will be updated spring of 2022 providing information on next seasons classes.
