Message from Commodore
Gord Richardson

August was definitely racing month at South Port. Kicking it off was the Irene East Women's Regatta. What a wonderful time it was! Ten crew of women sailors from South Port, Belle River, Thames River, Windsor Yacht club, Cedar Island and Lasalle Mariners raced over the 8.2 mile course in a pursuit format. (In which the contestants have a staggered start: slowest handicaps first and fast handicaps last.) The accuracy of this format was proven and the fastest boat (Bobsled's Ladies from WYC) left last and finished first! Congratulations as well to SPSC's Jen and crew on Ceilidh for second place, and only 13 seconds behind was Susan's Sweet Baby J and her crew from LMYC. Thanks to the organizers, Catherine, Paul, Pam, Tim and Jin for a difficult but rewarding effort. The South Port volunteers were out in force and did a great job, even pizza for everyone! Special thanks to Matt for the handicapping and tabulating of the results, and our racing director John who was ever-present in the crash/photo boat. Please check out the great art work and comments on the photos on our website.

The next event at South Port was the Ontario Sailing Regional Championships Western Ontario, which followed the next weekend. Junior sailors came from as far away as Sarnia and London to compete in two very full days of racing. Congratulations to Brian from Sarnia for winning the Optimist class, King from South Port for winning the 420 and Ben from South Port for winning the Laser Radials! Don't miss Abdulraman's photos as well.

Thanks to Mo and his organizing committee, Jin and his race committee and Matt as race officer for a well-planned and well executed event! Again we had fantastic volunteer work from club members who ensured the racers were well fed and kept safe on the course. Well done, everyone!

Kudos to Andrew Barlow who just finished crewing foredeck on Eager for More, Greg Cockburn's shark from RCYC in the 2023 Shark Worlds at Niagara on the Lake. They placed 9th overall out of 48!

Here we go again in just a week or so! One of the most important races to our community is the Sail for Hospice on Sunday, September 10. This is the 37th year that clubs around the Windsor and Essex area will be hosting a pursuit race to raise funds for our Hospice. Please help by collecting donations or by making a donation on behalf of your boat. Andy and Kelly are organizing this year's race and are looking forward to your pledges. Register on the website.

Finally, just a couple of weeks later, on September 23, SPSC's traditionally best attended regatta of the year. A long distance race in good fall winds! The 54th Annual Harvest Moon Regatta. Come into the clubhouse after the race for chili. Awards are Class Flags along with First to Finish, Best Corrected and First Shark. Registration is online as is the NOR and SI. What a great way to finish the racing season at South Port!

As summer winds down, the chances to go sailing also dwindle, so be sure to take advantage when you can! Due to the busy long weekend there will NOT be a Happy hour on September 1st, but keep an eye out for other fall events at the club. Be sure to mark your calendar for our end of season celebration, Fall Furl on Saturday November 4th. More details will follow closer to the date. See you out at the club !

Property Jackie Timothy

It's hard to believe the boats will be coming out and the season will be at an end in 2 months. The weather has caused delays in completing a few planned property tasks, and now so late in the season, they may be put off until spring. I'll keep you posted.

Thank you to all members who responded to my emails and stepped up to carry out various jobs this year in both the clubhouse and on the grounds.

It has been a great season since classes started July 3rd. Our last session is ending this Friday September 1st . Look for photos of our Instructors and the Junior Sailor/Sailors of the year in next months issue.

September!

I normally associate September racing with wind! After our normally light air summer, September brings exciting racing on warm Lake St Clair water. While I write this, the Shark Worlds are in full swing up at Niagara-on-the-Lake. We wish good luck to Andrew Barlow, racing on CAN1481 "Eager for more".

September racing is kicking off with the rebirth of the Thames River YC's Labour Day regatta. I hope some SPSC boats can join in their racing, or even just visit for the weekend. We did have TRYC boats in for our regattas this year.

Besides our Monday & Thursdays series, other big events are:

Sept 9 - Detroit YC Sweepstakes - A DRYA-counter, Windward /Leeward regatta. *(Sept 9 - Shark Gold Cup regatta at National YC in Toronto.)*

Sept 10 - SPSC Hospice regatta - Our own pursuit-type fundraiser race for a great cause.

(Sept 14 - Melges 24 North Americans at National YC in Toronto.)

Sept 16 - Bayview YC Long Distance race - A DRYA-counter - always a challenging race around Lake St Clair.

Sept 23 - SPSC Harvest Moon - Our own challenging, long distance evening race.

Sept 23 - Grosse Pointe YC Bluenose race - A DRYA counter.

(Sept 30 - Shark Homecomers regatta at Niagara-on-the-lake YC)

In October...

October 4th - the WYC Chimo race. The final WYC Wednesday evening race of the year. If you cannot race it, I recommend trying to be at WYC, or close by, to see the "in-the-river start" of this annual event. It is usually very entertaining.

October 14 - Lasalle Mariners YC River Rat race - This is normally the last official regatta of the season for Essex County. It is usually a good one if you enjoy quick tacking between shoals in windy conditions, with boats on either side of you. AND a great party afterward.

Get out and enjoy your boat and the water while you can. Winter is coming!!

Harbourmaster Andy Hellenbart

As the summer season is coming to an end, shorter days are upon us and we must start to plan the winter projects and where we are going to store our boats. This year Haul Out has been scheduled for Saturday, October 28th and cradle moving will take place the weekend before, Saturday October 21st.

Enclosed in this issue is the Winter Storage & Release form along with the Winter fee schedule. You will notice the crane fees have marginally increased since last year due to the increased cost of renting the crane.

The Release Form can be completed and returned by email to the Harbourmaster no later than October 2nd at andyhellenbart@gmail.com

Payment can be sent directly to the Treasurer John Shaw by e-transfer by October 2nd at spscetpayment@gmail.com

Payment in form of e-transfer or cheque after October 21st will not be accepted.

If you prefer to fill out the hard copy and attach payment, it can be dropped off in the office mail slot.

It is important to submit your storage form by October 2nd. This will allow us to allocate spaces for winter storage of the boats.

Congratulations to Jeff Kepran & crew on Ceilidh, on a 3rd place finish in PHRF C at The LaSalle Mariners Fighting island Regatta on August 26th

If you missed the post on Facebook, we had a visitor on the grounds this season.

10 boats competed August 5th in what is now going forward, the Annual "Irene East Women's Regatta". Thank you to Paul Bowsher coordinator, his committee, the RC volunteers and the photo boat (Eric Lund & photo collage, compliments John Marentette)
