Message from Commodore Doug Crowe

It's been quite a month of Regattas for the Junior Sailors, Sharks & Club members. Congratulations to all who participated and represented SPSC .

This season has been a great summer for sailing, but we certainly could use some rain. There were issues with the sprinkler system that have been resolved, but even with them operating, the lawn is not the usual green. The trees have suffered as well, dropping leaves and twigs all summer.

A minimal amount of dredging was carried out in the channel the first of August. The service dock was also completed this month and looks great.

Louise is planning for Fall Furl at the club again this October. Full details will follow at a later date.

We received everyone's survey submissions and all suggestions will be reviewed looking to the future, by the committee made up of several of your Past Commodores.

This month is the Sail for Hospice and I hope to see many of you out for a fun day and a good cause.

The final Regatta this year is the Harvest Moon on Saturday September 17th. Get registered and enjoy !

Thank you to Jeff Kepran, his wife Jen, and the instructors for what was a very successful Sailing School season, that ran for 8 weeks this summer.

It's hard to believe Haul Out is coming up so quickly. The winter storage form is available in this issue, and getting it in at your earliest allows the Harbour committee time to prepare for boat placement this winter.

Heading out to the lake

The 2022 school sessions ended Friday August 26th after 8 weeks of hot weather and good wind on the lake ! A big thank you to the Mom's and Dad's who did drop off and pick up daily, and the members who assisted with the upkeep of the boats. Zoe, our School Coordinator, and the instructors kept the sessions organized and the students busy both on and off the water. The entire team did a fabulous job ! All the best to both the instructors and students returning to their studies in September !

Welcome new Members

We welcome two familiar faces, Amelia Dolsen & Matt Pretty who were accepted as Family members in July. Amelia attended our Sailing School from the age of 9, and was appointed Head Sailing School instructor the summer of 2014. Matt was introduced to sailing by Amelia, and has become involved in racing at the club over the past several years. He shares the same excitement for the sport. He works as a powerline technician with Alectra Utilities in the GTA. Amelia is currently attending her last year of studies at Lakehead University for her degree in Environmental Science. They both look forward to continuing to be involved in the club and continue racing !

They plan to leave Northern Brees in the Glasgow area over the winter and continue their travels in the spring.

Harbourmaster Andy Hellenbart

As the summer season is coming to an end and shorter days are upon us, we must start to plan the winter projects and where we are going to store our boats. This year Haul Out has been scheduled for Saturday, October 29th and cradle moving will take place the weekend before, Saturday October 22nd.

Enclosed in this issue are the WINTER STORAGE & RELEASE FORM and the WINTER FEE schedule. You will notice the crane fees have marginally increased since last year due to the increased cost of renting the crane.

The release form can be completed and returned by email to :-
andyhellebart@gmail.com

Payment can be sent directly to the Treasurer by e-transfer to :
treasurer@southportsailingclub.com

If you prefer to fill out the hard copy and attach payment, it can be dropped off in the office mail slot

Please submit the form and include payment by October 1st

Social Louise Marentette

As summer draws to an end, your social committee is looking to plan the Fall and year end activities. The fun will continue, even after the boats are put away !

The September Happy Hour has been moved to Friday September 16 to coincide with the Harvest Moon regatta to make a full weekend of fun for us, and any visiting boats. Hope to see you there.

Our Annual Fall Furl, the end of season party and racing awards night is scheduled for October 15th at the club. Details will be sent out soon, but mark it on your calendar !

Property Jackie Timothy

Thank you to the members who volunteered for property tasks in August. The flag pole refurbish was completed. It was raised and our flags are flying again.

Clubhouse duty attendance has been 100% this season. If there are any issues with the timing of your week, or if you have any questions, please email me. Remember everyone can help the member on duty by emptying a recycle box or garbage pail if you see it's full. If the flower pots look limp, there are 2 watering cans on the north deck. Feel free to give them a drink !

I'll keep you posted as tasks come up to assist you with getting your work-hours in.
