Outgoing Commodore
Wayne Bellemore**

As the sailing season comes to an end so has my time as Commodore.

It has been a challenging 19 months to say the least, but with the work of your executive group, we had a safe and fun season !

Thank you to all the members for your patience and support during these interesting times.

With some of the government restrictions lifted this summer, Club racing and Regattas took place. The Fall Furl was different, but a good time for all who attended. My congratulations to all the award winners.

Our Rear Commodore/membership Gord Richardson was very busy this year as we welcomed several new members. Our harbour is full, and it can't get any better than that !

To Andy Hellenbart and his cradle and haul out crew, thank you for another job well done.

We will be holding the AGM on November 23rd at the club. More information will follow shortly by email.

It has been a pleasure serving as your Covid Commodore. I wish the incoming Commodore Doug Crowe and his 2022 executive all the best in the upcoming year.

Moira and I send our best wishes to all members for a safe and happy holiday season, and prosperous new year.

Our sailing community has lost a very special person. Danny was the main marine supplier in our area securing whatever you needed for your boat, sail or power since he established Sea & Ski Marine Supply in 1981. In 2014 he moved his store to Riverside Drive (Dan's Nautical Shop) and Claire took over the clothing side. He was very supportive of sailing clubs, boating associations, and all boaters in our area in so many ways. South Port members send condolences to his wife Claire, his children, family and many friends.

Social Committee

On October 23rd the annual Fall Furl was held outside at the club. The soups and desserts were tasty, the fire was warm and the company was great! A fun evening was had by all. Congratulations to the racers and their crews on a successful season despite all the challenges! As the sailing season comes to an end our social activities usually move inside to warmer conditions. At this time your social committee is still trying to figure out how best to hold indoor events, so keep an eye out for more information as it becomes available. We are going to continue to try to have some outdoor activities over the winter to keep members connected. Thanks for a good summer, Louise

Harbourmaster Andy Hellenbart

The 2021 Haul out went smoothly even though there were a few minor glitches. Overall the day was good. The rain held off until the last boats were out, and we were all thankful for that.

I would like to thank all the members on the haul out work party, particularly some new members Jelle, Jeff and Tyler, who stepped in and performed an excellent job.

To Jesse and his junior sailor power washing team, job well done.

Remember, only 6 more months and we will reverse the process in April 2022 !
